

Advanced Facial Aesthetic Treatments at Tudor Lodge Dental

There is no doubt that feeling happy about our appearance helps us to take on life's challenges with fresh vigour and renewed self-confidence.

All our treatments are performed by our highly- experienced aesthetic practitioners using the latest techniques. We offer a range of bespoke aesthetic treatments for patients such as and **anti-wrinkle injections** and **dermal lip fillers**.

What are the benefits of facial aesthetic treatments?

Over time lines may develop on your face because of many factors, such as aging, sun exposure, dehydration, smoking, gravity and poor nutrition. They are even created by your own facial expressions due to constantly contracting from laughing and smiling. The purpose of facial aesthetics is to offer you **non-surgical** and **minimally invasive** solutions to help you improve and maintain the appearance of your skin.

Why should you consider facial aesthetics at our Practice?

- We have been looking after the dental health needs of our local community for over twenty two years and we pride ourselves on your care and experience.
- When Aesthetics Treatment is carried out by experienced health professional, facial aesthetic can provide the means to enjoy a feeling of well-being and self-confidence without resorting to surgical procedures.
- Dermal lip fillers and anti-wrinkle injections are a safe and stress-free way to attain immediate aesthetic results.
- Our patients are satisfied with their results, so we have many returning to repeat treatments and to target additional areas.
